

### *Did you know...*

That there are over 35 different animals living at Elachee, including a Red-tailed Hawk, 2 Gopher Tortoises and a variety of reptiles and amphibians? These animals are used in teaching our education programs and are on public exhibit for all visitors to enjoy.

Animal adoption is the perfect gift to honor a special teacher, scout leader or 4-H leader for their dedication, or for anyone who appreciates the wonderful creatures that live in our world!
